FUN TIMES

Whose bird song is it?

Slowly but surely autumn vibes are taking over. We have made a major acquisition, celebrate the launch of the Woodland series with Pure and are continuing to test Milo…and yes, we met many of you at a few cool trade shows recently.

„**Make Chirps not Tweets**" – our partner brand Pure has launched a fun new game for this fall to celebrate the launch of the Woodland series (**Woodland** and **Woodland Glow**). Consumers can enter for a chance to win a bird-house or many cool prices from Pure. When was the last time you heard a bird singing and could you tell the difference between a nightingale and a woodpecker? Let your customers join the fun!

Of course Pure has also thought about a great offer for Black Friday. Talk to your sales contact to learn more about the Woodland Explorer Pack deal. Your customers get a free GoView Monocular with every purchase of a Pure Woodland.

Now that's what we call "two birds with one stone" ;-)

BRIGHT FUTURE AHEAD

Agipa acquires 100% of Thali AG

We are very proud to announce that Agipa has agreed with **Thali AG** to increase our shares to 100%, further strengthening our pan-European footprint.

The existing managing structure and Thali brand will remain intact and we are looking forward to many more successful years with our Swiss colleagues and partners.

FEAT OF

Photopia 2023

After this year's Photopia, we look back on four successful days at the fair, where we met many new and interesting people.
Visitors had a great time at our booth with a home cinema experience from XGIMI, the chance to take their own Polaroid picture and not forgetting the action-packed container running powered by GoPro.

FOCUSED TRADE SHOWS

Ringfoto trade show in Heilbronn

This year we also attended at the Ringfoto trade fair in Heilbronn. The event provided a fantastic platform for us to showcase our latest photography and imaging products from Polaroid, GoPro and GoView, as well as to connect with photography enthusiasts and professionals.

Agipa's presence at the trade fair was a resounding success, we can't wait to see what the future holds!
