Country Focus Netherlands

This page is to introduce the Netherlands as a country shaped by tradition and culture. But did you know that this small European nation is also home to some of the most innovative and cutting-edge consumer electronics companies in the world?

In this Country Focus, we introduce the world of Dutch brands including the brands, products, and companies that are shaping the future of the consumer electronics industry. From the focus to established brands, we take a closer look at the key players driving innovation and growth in this exciting and rapidly changing industry.
