

## The Aqipa Gear Guide #29 - November

2023-11-22 - Pressroom

We are ready for snow! | TheGearGuide #29

Three little birds, GoPro goes Lisboa and gear tests around the world.

### Gel Blaster

### GoPro HERO12

### Whose bird song is it?

GoPro HERO12 is the most powerful GoPro yet, with a new 5.3K resolution, 10-bit color, and 10x digital zoom. It's also the most compact GoPro yet, with a new lens and a new design. It's the perfect camera for anyone who wants to capture the world around them in the most powerful and compact way possible.

### GoPro HERO12

### Snow Expo in Krakow

### Intersport "Schnestage" at the Stubaier Glacier

### GoPro HERO12

### GoPro goes Lisboa

### GoPro Hero12

GoPro HERO12 is the most powerful GoPro yet, with a new 5.3K resolution, 10-bit color, and 10x digital zoom. It's also the most compact GoPro yet, with a new lens and a new design. It's the perfect camera for anyone who wants to capture the world around them in the most powerful and compact way possible.

**WE GROW BRANDS**  
with a GoPro
