

The Aqipa Gear Guide #29 - November

2023-11-22 - Pressroom

We are ready for snow! | TheGearGuide #29

Three little birds, GoPro goes Lisboa and gear tests around the world.

Gel Blaster

GoPro HERO12

Whose bird song is it?

GoPro HERO12 is the most powerful GoPro yet, with a new 5.3K video resolution, 10-bit color, and 111-degree field of view. It's also the most compact GoPro yet, with a new lens and a new design. It's the perfect camera for anyone who wants to capture the world around them in the most powerful and compact way possible.
