

## E-Commerce Backend Developer (gn\*)

2023-09-28 - Marketing & E-Commerce

Are you interested in consumer electronics and do you see your future in e-commerce? Start your career at Aqipa. We are an international distribution company with headquarters in Kundl, Austria, and further offices worldwide. Aqipa distributes and markets products in the field of consumer electronics and continues to grow. Therefore, we are looking for motivated employees who will write international success stories together with our team.

**We are looking for a**

**E-COMMERCE BACKEND DEVELOPER (gn\*)**

**to strengthen our team in our head office in Kundl.**

### **YOUR MISSION WITH US:**

- Support and further development of various eCommerce projects together with external service providers
- Active support and monitoring of our existing web applications
- Participation in international rollouts
- Close cooperation with the product management, marketing and communication team

**AND WITH THE RIGHT BACKGROUND, YOU MAKE THE TEAM COMPLETE:**

- Completed education in the IT environment (HTL, FH, UNI)
- Analytical, independent and goal-oriented approach
- Strong communication personality with good English skills
- Ideally experience in SAP Hybris or comparable frameworks
- Knowledge of Java / JEE, XML, design patterns, XHTML, JavaScript, CSS, AJAX and JQuery, REST, JSON etc.
- Experience in the development of complex applications and connection of external systems

#### WHAT YOU CAN EXPECT WITH US:

- **Emotions:** We have been an owner-managed company for 30 years and look after brands that move millions of people emotionally every day and improve their lifestyle.
- **Right in the middle instead of just being there:** A modern working environment in an open, international atmosphere characterised by a positive spirit.
- **Help shape:** Here, many things are not yet set in stone. Everything you do for and with us will have a lasting impact on the history of our company. That's why you should be involved and contribute your knowledge.
- **Come to stay:** You are part of the team from the very beginning. Your colleagues will welcome you warmly and be ready to help you.
- **Reliability and continuity:** Value-based management and a future-proof job with long-term prospects and a lot of fun at work.

We look forward to receiving your application documents, including a letter of motivation, via our [application form](#) and will be happy to provide you with further details in a personal interview.

**Small print on a grand scale: we offer other advantages that make working more pleasant, but should not be the main reason for your decision**

- Flexible working hours to support your work-life integration
- Internal training (language courses etc.) to support your professional ambitions through individual career planning
- Own culinary staff restaurant (in Kundl)
- Free shuttle service from Wörgl railway station to Aqipa
