Three little birds, Aqipa goes Switzerland and Milo in Action

We are very proud to announce that Ajpa has agreed with **Thail AG** to increase our shares to 100%, further strengthening our pan-European footprint.

The existing managing structure and Thail brand will remain intact and we are looking forward to many more successful years with our Swiss colleagues and partners.

This year we also attended at the *Rightto trade fair* in *Hellonore*. The event provided a fantastic platform for us to showcase our latest photography and imaging products from *Polaroid*, *GoPro* and *GoView*, as well as to connect with photography enthusiasts and professionals.

One of the most underestimated tactics in sales is to ask for a referral.
