AQIPA GEAR BOUTIQUE

2022-10-31 - Trade Shows & Events

We proudly present you the brand new Tech-Village in Gerngross.

After Milan, Rotterdam, Rome, Berlin and Madrid, Vienna will be home to Austria's first Tech Village. With our long-term partner MediaMarkt Austria, we have opened the Aqipa Gear Boutique in the heart of the city, the Mariahilferstraße. We united three premium brands GoPro, Marshall and XGIMI and created an exciting experience space that allows consumers to browse the latest in tech. The store is a true experience space and can be used for launch activities, special trainings, evening events etc. etc.
