

Aqipa wins German Brand Award for COOT 2021

2022-06-14 - [Pressroom](#)

We won! 2022 was the first time we participated in the German Brand Award contest, and we took a prize home immediately. The competition received 1,200 submissions from 19 countries in various categories. We won "Brand Communication Fairs & Exhibitions" as well as a special mention as one of the key projects in the category "Brand Experience of the Year" for our 2021 [#ComeOnOverTour](#) tradeshow concept, demonstrating once again that Aqipa is not just a distributor, but a success builder for brands.

Clearly, the innovative Aqipa spirit didn't go unnoticed with the jury of this prestigious marketing award, marking another milestone in our 30+-year success story.

Big shout-out to our team and partners. Here's to us !
